Job Announcement for
One Associate Professor Position (full time) or
One Assistant Professor Position (full time) at
Institute of Space and Astronautical Science,
The Japan Aerospace Exploration Agency

Japan Aerospace Exploration Agency (JAXA) seeks to recruit an associate professor (Academic staff) or an assistant professor (Academic staff) at Department of Solar System Sciences, Institute of Space and Astronautical Science (ISAS), as described below;

1. Title and Number of position(s):
One Associate Professor (Academic staff) or One Assistant Professor (Academic staff)

2. Department
Department of Solar System Sciences, Institute of Space and Astronautical Science, JAXA
Institution URL: http://www.isas.jaxa.jp/e/index.shtml
Department outline: http://www.isas.jaxa.jp/e/about/professor/index.shtml#02

3. Summary of the Position (Contents of Work and Required Ability):
Department of Solar System Sciences promotes scientific researches of the heliosphere and of the solar system bodies via spacecraft missions that perform remote sensing observations as well as in-situ observations. The mission related activities at the Department include data analysis studies, numerical simulation studies and development of new observation technologies. Here we seek for a candidate with an academic record in a field of space sciences who has hardware-oriented expertise and experience in a space science mission. A candidate, irrespective of his/her previous specialized field, is expected to be strongly motivated in and to be capable of solving various technical problems that science instruments onboard future planetary exploration missions would face. For a candidate for an Associate Professor position, the capability to coordinate a win-win path for both planetary science and space-engineering through a mission study activity, as well as the capability to play a major role in a spacecraft designing activity, is expected.
Based on the understanding that JAXA/ISAS acts as inter-university research system, the successful applicant will conduct research in collaboration with the researchers from other universities. Also, the successful applicant will be engaged in teaching and directing graduate students, and will actively participate in various researches and projects conducted within JAXA.

4. Terms and Conditions:
(1) Salary will be determined under the provision of JAXA wage rule and regulations, taking into account the abilities and experiences.
(2) Annual leaves will be determined under the provision of JAXA regulation (Faculty Perquisite will apply).
(3) Duty Location: JAXA Sagamihara campus (ISAS), Kanagawa, Japan
(4) Employment Status: Full-time/ Retirement age is 63-years-old.
(5) Lodgings; For family or single if available.
(6) Social insurances will be fully provided.

5. Eligibility:
PhD degree is required.
6. **The Commencement of the Assignment:**
At the earliest possible date after the selection. Basically from 1st day of a month during Japanese FY2013.

7. **Application Documents:**
Submit one copy each of the following:
(1) Curriculum vitae
(2) Research career
(3) List of research achievements, including published papers and other publications, and photocopies of major research papers or other publications
(4) Outline of applicant’s previous research and future research plan (including the applicant’s vision concerning the field of Solar System Sciences, contribution to projects and ambitions for educational activities. Please indicate the position (Associate Professor or Assistant Professor) which you will apply)
(5) Contact information of two referees (the names, addresses, telephone numbers, and e-mail addresses for a direct inquiry from JAXA.). If you are a nominator, please provide two letters of recommendation regarding the candidate.

8. **Application Deadline:**
Application with a set of documents in Japanese or English language, must be received by ISAS/JAXA by September 30, 2013, registered mail or international courier.

9. **Address:**
Applications must be submitted to the following address;
   Management and Integration Department,
   Institute of Space and Astronautical Science,
   The Japan Aerospace Exploration Agency
   3-1-1 Yoshinodai, Chuo-ku, Sagamihara, Kanagawa, Japan, Zip Code 252-5210
   Phone: +81-50-3362-5412

   Note: Please indicate “Application documents for Associate/Assistant Professor position of Department of Solar System Sciences included” clearly on the envelope. Please be suggested that the application documents will not be returned. Applicant must fully pay his/her own travel and accommodation expenses.

10. **Contact of the Department of Space Flight Systems**
   Prof. Masaki Fujimoto
   Director
   Department of Solar System sciences
   Institute of Space and Astronautical Science, JAXA
   FAX: +81-42-759-8456
   E-mail: fujimoto@stp.isas.jaxa.jp

11. **Other Remarks:**
Application will be examined and selected by the Advisory Council for Research and Management of ISAS, JAXA. ISAS/JAXA actively welcomes female applicants.
